SUMMARY OF EXAMINER INTERVIEW

Applicant would like to thank Examiner Clow for participating in an interview on June 29, 2010. During the Examiner Interview, deficiencies of the cited references were discussed. A claim amendment to further clarify the assembly module was discussed. Examiner Clow indicated that the claims appear to be allowable as the cited references do not teach or suggest receiving a user selection of one of a user-preferred standard or a published standard and, in response thereto, assembling and displaying discrete elements in accordance with the selected standard.
